

NEW YORK STATE AMATEUR HOCKEY ASSOCIATION
OFFICIATING DEVELOPMENT CAMP

Dear Official:

The New York District will host a officiating development camp at Clarkson University, Potsdam NY July 17 through July 20, 2008 The camp is open to all completely registered officials within the NY district & is instructional in nature, but non-competitive.

Camp staff includes some of the top instructors within our district, with experience at the professional and collegiate levels. Camp highlights include classroom sessions, and 2 ice sessions during the day, which include power skating, and basic & advanced mechanics using the 2 & 3 official systems. In the evening, you will have an opportunity to officiate higher-level games using the knowledge you learned in the classroom. During the games, on ice mentors will work with you, and evaluators will critique your performance.

Clarkson University has provided us use of the Cheel Arena Complex which houses ice, classrooms, locker rooms, training & weight rooms, dining facilities, game rooms, and lounge area. The residence halls are located across the parking lot. Staff, chaperones, security, medical & Resident Assistants will be available in the residence halls.

A member of the staff, and chaperones supervise the officials throughout the camp. Security personnel are on site: medical trainers are in the building. Should a medical need arise, Canton/Potsdam Hospital is less than one mile away.

You can attend the camp at a nominal cost, (\$155.00) which includes room & board (4 Days & 3 Nights). Those requiring special meals can be accommodated. Complete your application and send it to my attention along with your camp fee by June 21, 2008 to the following address. The camp is open to the first 50 officials to respond by email you wish to attend followed by receipt of your application & check. Please make checks payable to Mike Shapey Officiating Account. Upon acceptance to attend the camp you will be sent an agenda & instructions.

Looking forward to seeing you in Potsdam July 17-20
